INCLEMENT WEATHER PLAN

Sew Hungry will still take place as planned on **Friday, May 5, 2017** regardless of the discouraging weather forecast. We have a few contingency plans in place for our Live Music Stage & Kid Zone. Please note Nickel Brook Brewing Co. will be setting up one Beer Garden on Roxborough Ave. W the Campbell St. location has been cancelled. There will be no road closure on Campbell or Britannia.

Live Music Stage: Rev. Doug Moore has offered to host the live music stage inside Laidlaw Church, the space is wheelchair accessible and has washroom facilities available for public use. There is a large recreational space in the basement with seating & there is a quiet room off the main entrance for parents and children. We are beyond thankful for Rev. Doug and his team's assistance in helping develop a Sew Hungry Rain Plan!
