

# OTTAWA STREET

Hamilton's destination for inspiration.

For Immediate Release  
Hamilton, ON  
April 18, 2016.

**Sew Hungry**, Hamilton's annual award winning Restaurant and Food Truck Rally has an exciting announcement! On **Friday May 6, 2016** from **11am-8pm**, 26 of the most talked about food trucks in Ontario will be pulling up curbside to serve up a mouthwatering variety of food alongside 17 local Ottawa St N restaurants. And that's not all...

We are beyond excited to announce this year that our title sponsors for **Sew Hungry 2016** will be **102.9 K-Lite FM, HTZ FM, and Collective Arts Brewery**. This year the addition of an outdoor beer tent and live music stage will make for a truly unique, and unforgettable experience.

"For myself and Collective Arts Brewing, joining Sew Hungry was a no brainer." Says Daniel Johnston, GTA West Brand Ambassador at Collective Arts Brewery. "Sew Hungry 2016 is hosting a world class event in our Hamilton backyard while combining the two things we love almost as much as beer; culture and food! We love supporting events that showcase Hamilton, it's people, it's pride and what a community can do with a big dream. We are extremely excited to be a part of Sew Hungry 2016 and can't wait to serve you a locally-brewed Collective Arts Beer!"

Lisa Peters Regional Director, Marketing and Promotions and her team at Bell Media, are teaming up to organize the live music stage for Sew Hungry. We are excited to announce musical performances by Glass Amp, Tomahawk Love and many more to come.

If it's the food you're coming for we've got it all! We are pleased to welcome back some of our own homegrown favorites like **Southern Smoke, Curbside Grill, and Gorilla Cheese** in addition to some tasty out-of-towners like **Busters Sea Cove** and **Texas Tornado**.

Our friends at Big Yellow Bag have offered to set up a community food drive for our local Mission Services during Sew Hungry, attendees are asked to bring and donate non-perishable food items for a chance to win a FREE **Big Yellow Bag** on the day of the event.

The idea behind **Sew Hungry** is to help showcase our own restaurants by bringing "foodies" to Ottawa St. We believe this event is a great way to reach out to a new customer base. **Sew Hungry** has won a Provincial and two National awards for innovation along with Social Media efforts, and has exceeded our expectations for

exposure through media. Our local community has become involved in helping us create an event that is great for the city in its entirety and could inspire others to do the same.

Ottawa Street in Hamilton is your destination for inspiration. With over 100 shops, stores and services including antiques, fabric, furniture, food, art and collectibles, it's a favorite shopping spot for décor enthusiasts, designers, stylists, foodies, art-lovers, DIY'ers and bargain hunters.
